Recycling: If you have spare space in your home recycling bin to include some of the recycling from church please speak to Garry or Marina (see over) - we would greatly value some additional assistance with recycling

Church Cleaning:

Sat 13th January 9am

Prayer Requests:

Please pray for:-

- For St James' Church congregation as they battle with flooding issues over December and the New Year.
- For those who have faced difficulties in relationships, with flooding or work at the start of this New Year.
- For peace - especially the wars in Israel/Palestine & Ukraine
- Those who are unwell at this time

Please come and support with Church Cleaning on **Saturday 13th January (From 9am)**

Having a team who help with cleaning saves the church a lot of money in professional cleaning services and is a practical (and fun) way to support. We are very grateful to the small team who commit to this each time but new helpers would welcome - no need to let us know - just turn up!
