St Nicolas Bells: Damage to our 5th Bell

UPDATE - All the parts of the 5th bell that have been at the Bell Foundry works in Loughborough have this week been returned to our church tower. Andrew Alldrick has been overseeing the reinstallation work with Taylor's which has also included the checking and cleaning of all the other bearings on the remaining bells.

One completed the next stage will be for Andrew to get his own team of ringers together to ring the bells in full to ensure all is working well before handing them back to us.

If you still wish to donate to the 'Bell Fund' you can by speaking to Jim (our Treasurer) who will assist you through the ways to make a payment.
