Let us pray

1 Let us continue to pray that talks between the USA and Iran may soon result in agreement for a lasting peace in the Middle East and that the cease fire in the in The Lebanon may also grow into a peace agreement.

2 For all those who seek to represent their constituents in the forthcoming national elections in Scotland and Wales and in the local council elections in England. Particularly praying for those people who seek to become elected members of our own council in Nuneaton and Bedworth.

3 For members of our congregations who were elected to our new PCCs at the recent APCM meetings, and for our leaders Chris, Dave, Modupe and Martin and all other members of our churches who work to keep our churches in good running order.

4 For all our young people and those who care for them and nurture them in the faith
