Let us pray

1. For the people of Valenzuela struggling in the aftermath of two serious earthquakes. We pray for those who have lost their lives or have been injured, and the many who are struggling to find survivors among the 80000 still missing.
2. For all those who are finding the excessive heat wave we are experiencing a major problem, be it in their homes, workplaces and schools. And for those who are helping them to cope with this problem.
3. For the volunteers of our Mission Outreach Partners whose dedicated work is helping many people to deal with the difficult situations we are experiencing in our country at this time.
4. For Peter Williams, a regular worshipper with us at St Nicolas, who sadly died a few days ago. And as we pray for him we hold Frances and Peter's family to our Lord.
