Let us pray

1 For the people around the area of Japan As they begin to get things back to normal after the serious typhoon there. We pray for those who have been killed and injured, and their families and for those who have lost their homes and places of work.

2 For the young people who have been injured and killed in the school shooting in Turkey this last week. And for their families who now mourn the loss of loved ones.

3 For the ministers and congregations of all the churches in our wider community.

4 For our own leaders, for Chis, Dave, Modupe and Martin and all our service leaders, that they may be Spirit led.

5 For the sick, lonely and bereaved of our two congregations, that they may be touched with the healing hand of our Lord Jesus.
